Usepots Staffing Resume

Hello there!

My name is usepot. I'm a 16 year old guy who has a passion for staffing on Minecraft servers as well as developing them. I've been staffing for about 6 years, and developing for about 4 years; additionally, I've been playing the game for about 7 years. This document contains all of my notable staff experiences throughout the years, and some information about me.

Contact Me

You can mainly contact me through discord (@noah.kt) However I can also be reached via email at, noah@matrixstudios.co. However, I'm active on discord every day and always respond to messages.
